YOUR MOTOR POLICY KEY FACTS

Masterpiece[®]
SIGNATURE
MOTOR

What is a Policy Summary?

This document gives you key information about the Chubb *Masterpiece* SIGNATURE Motor Insurance Policy. Our policy book will give you full details. Please contact your insurance broker if you have any questions, or for more literature about Chubb.

Policy name: *Masterpiece* SIGNATURE Motor
Type of insurance: Motor
Underwritten by: Chubb Insurance Company of Europe SE (Chubb).
European Breakdown cover is underwritten by Europ Assistance Insurance Ltd.
Motor Legal Expenses cover is underwritten by UK Underwriting on behalf of Inter Partner Assistance SA.

How Chubb *Masterpiece* SIGNATURE MOTOR is designed to be different

With *Masterpiece* SIGNATURE Motor we specialise in insuring exceptional individuals worldwide.

The SIGNATURE approach is unique. We have a dedicated team of appraisers, underwriters and claim specialists focusing solely on your needs.

Our trademark **three-step process** is designed to eliminate stress and create certainty. Each step builds to our ultimate in cover and service.

Step 1

We agree the value of your car – upfront

So you know the exact sum you'll receive if your car is written-off.

At the beginning of each year – whatever the age of your car – we agree its value with you.

This is the exact sum we will pay – with no deductions for excess or depreciation – if your car is a total loss and written-off. It applies to the whole policy period (Day 1 through to Day 365).

We call it 'Agreed Value'. And now we've improved it by offering Extended Replacement Cost, which means that if necessary we will pay up to 150% of the Agreed Value to secure you a like-for-like replacement.

Step 2

We provide remarkable 'all risks' cover

So you need have no worries about being covered adequately.

For example, as standard you are fully comprehensively insured for commuting, driving other cars, allowing others to drive your insured cars and driving in Europe.

For accident repair we let you choose your own garage and make no deductions for the wear and tear of replaced parts. And we offer a comparable courtesy car – even for fire and theft.

Step 3

We pay claims fast

Which is why brokers consistently rate our claim service as the 'best in the industry'.

Steps 1 & 2 help settle things in advance. So the moment you make a claim we are ready to get you back on the road. Our claims team is available round-the-clock.

When calculating your renewal premium we don't penalise you for 'no blame' claims (e.g. fire, theft, vandalism and being hit whilst parked) as other insurers might.

Our claims specialists try to make the process as easy as possible – supervising and fast-tracking your claim, aiming to do everything over the phone.

Our Home insurance shares a similar three-step approach with an expert home appraisal, worldwide all risks cover without limiting conditions and the legendary Chubb claim service.

Over the last decade, in the prestigious UK Insurance Times industry awards, brokers have consistently voted Chubb:

'Best Personal Lines Insurer', 'Best Motor Insurer' and 'Best Claims Service'.

This is why we say we are ***designed to be different.***

How Chubb pays claims

A Cherished Classic

A client's classic car collection included an Aston Martin DB6 – inherited from his father and insured for an Agreed Value of £100,000.

On the way to a family event, the DB6 was hit by a car taking a blind bend too fast. No one was hurt but the damage was extensive.

We chauffeured the client and his wife to the event, and then collected the car and took it to his preferred garage.

The garage estimated the repairs at around £110,000. Virtually all insurers deem a car a write-off if repairs cost more than 60% of its value. But Chubb does not.

The client had the option of a £100,000 cash payment, with no deductions, but chose repair because of the car's sentimental value.

The repair bill was over the Agreed Value, but under the terms of the SIGNATURE policy it was still covered. Also, we didn't charge an excess, as we classified this as a total loss.

The car was repaired and returned in six weeks in perfect order.

A Short-Lived Dream

A SIGNATURE policyholder had waited a year for delivery of his dream car – a £150,000 Bentley Continental GT Speed. A day later – through no fault of his own – it was a total write-off.

Chubb immediately arranged a Bentley Continental GT as a courtesy car.

To settle the claim the client requested a replacement Bentley rather than the Agreed Value of £150,000 in cash.

So we worked with a prestige motor supplier to find a car to the precisely the same spec. It was anticipated this might take six months to a year.

But, happily, our well-placed contact found an exact replacement within 21 days.

If our client had chosen a cash payment with a standard insurer he would have been forced to settle for the Glass's Guide trade price – nearly £25,000 less than he paid, less an excess.

With Chubb, his cash payment would have been the Agreed Value of £150,000 with no deductions.

If he had chosen replacement he would have received a Bentley, but not necessarily to the same spec.

How does *Masterpiece* SIGNATURE Motor compare with other motor insurance?

	Chubb <i>Masterpiece</i> SIGNATURE Motor	A standard motor policy
Step 1 – We agree the value of your car upfront each year		
Can I be certain what sum I'll receive for my car if it is a total write-off?	<p>Yes</p> <p>We agree with you at the outset the exact sum we will pay <u>without any deductions</u> if your car is written-off at any time during the policy year.</p> <p>We call this 'Agreed Value'. You'll receive the exact sum that is in your policy schedule.</p>	<p>No</p> <p>Regardless of any sums in your policy schedule, your payment is likely to be based on the 'trade price' in Glass' Guide at the time of your loss, <u>less a deduction for your mileage and an 'excess'</u>. You could be thousands of pounds out-of-pocket!</p>
What if the sum I'm paid after a total loss is not enough to replace my car?	<p>We will pay for a like-for-like replacement</p> <p>We will pay up to 150% of the sum insured if the Agreed Value is not enough for you to buy a like-for-like replacement.</p> <p>This applies to cars under 15 years old with an Agreed Value of £150,000 or less.</p>	<p>If your settlement is paid at 'trade price', you will not have enough to replace your car</p> <p>If your car is under a year old you may be offered a replacement car, but not necessarily to the same spec. You are most likely to be offered sympathy, but no additional money.</p>
Step 2 – We offer generous all risks cover		
What am I covered for?	<p>All risks</p> <p>You are covered for loss or damage by any cause. Unless your policy specifically excludes something – you are covered.</p>	<p>Specific risks only – listed in your policy</p> <p>You are only covered for loss or damage by named causes. If a cause is not explicitly listed in your policy – it's not covered.</p>
What does fully comprehensive cover really mean?	<p>We try to make it mean fully comprehensive</p> <p><i>We cover you fully comprehensively for:</i></p> <ul style="list-style-type: none"> Driving other cars (for you and named drivers); Others driving your cars (friends and colleagues); Driving in Europe at any time; Business use (except carrying people or goods for a fee). 	<p>Not as comprehensive as you might think</p> <p>You will probably be covered for driving other cars but <u>not</u> comprehensively and it's unlikely others will be covered to drive your cars. You may be offered limited cover for driving in Europe, and you will probably only be covered to use your car to commute to work, but not to drive to meetings.</p>
Can I choose my own repairer after an accident?	<p>Yes</p> <p>We let you choose your own garage for repairs, and we don't make any deductions for wear and tear of replacement parts, such as tyres.</p>	<p>Unlikely</p> <p>You will probably be required to use a repairer stipulated by the insurer, and to make a contribution for wear and tear of replacement parts.</p>
Will I be offered a comparable courtesy car?	<p>Yes</p> <p>We will pay – with generous limits – for a courtesy car comparable to your insured car after an accident or write-off – including fire & theft. We aim to have your courtesy car with you the same day.</p>	<p>Unlikely</p> <p>Not all insurers guarantee a courtesy car. If they do, it's usually a Class A car – like a Nissan Micra. Most do not offer a courtesy car after fire or theft.</p>
What would happen if a replacement wheel could not be found to match my other wheels?	<p>We would replace the whole set</p> <p>Under the unique pairs and sets part of our policy, if you are unable to match wheels or upholstery after damage, we will replace the whole set.</p> <p>This is just one of the small ways we try to be helpful.</p>	<p>Your car would have a distinctly eclectic look ...</p> <p>Unless you decide to pay yourself to replace the remainder of the set.</p>
Will I be penalised for 'no blame' claims?	<p>No</p> <p>We don't penalise you for 'no blame' claims such as fire, theft, vandalism & being hit whilst parked.</p>	<p>Yes, you probably will be penalised</p> <p>You will normally incur a penalty increase in premium when you come to renew your policy.</p>
Step 3 – Brokers consistently rate our claim service as the best in the industry		
How quickly will my claim be paid?	<p>We aim to pay claims fast</p> <p>Steps 1 & 2 help settle most claims in advance, so the moment you claim we are ready to move.</p>	<p>There are no guarantees</p> <p>You will be asked to justify the basis of your claim. This can often be difficult and time-consuming.</p>
On what basis will my claim be paid?	<p>Your choice</p> <p>You will be paid the full Agreed Value for a total loss. You can choose your own repairer for accident damage.</p>	<p>Your insurer's choice</p> <p>Your insurer will decide the 'trade price' for a total loss. You will probably be required to use his repairer for accident damage.</p>

Over the last decade in the UK, brokers have consistently voted Chubb as 'Best Personal Lines Insurer', 'Best Motor Insurer' and 'Best Claims Service' in the prestigious *Insurance Times* industry awards.
